展览现场

他是我们寻找的东西方艺术里最重要的一位,他会成为后世所敬仰的一个名字。如今他在画作中保留了书法的独特原则,以表达他试图展示的风景元素。像特纳一样,他是处理光线的高手,很可能中西方浪漫主义的通用艺术将会在世界上卷起新的艺术风潮。我们坚信以他的卓越的深度和成就,他会被载入当代艺术史重要艺术家的名册。我们很自豪展出他的最新创作,它们也代表了他艺术的一个转折点,其成熟而完美的展现,让我们为之惊喜。

He is one of the most important EAST-WEST artists which is becoming one of the most sought after category. Today he has kept in his work the uniqueness of calligraphy to represent the elements of landscape he is presenting us. Like Turner he is a painter of lights and most probably the romantic preface of a new universal art covering East and West in a world becoming more and more global. We trust his incredible depth and luminosity will put him in the category of artists which will be key in the contemporary history of art. We are so proud to present his latest creations which are exploding in our eyes from a wonderful enjoyed maturity. His most recent paintings are a real turning point into the universality of his art.
